Welcome to Scarborough's Child Care Program!

Scarborough Community Services Child Care welcomes all Scarborough school-age children to our before- and after-school program. We are a non-profit recreational program, complying with all the recommendations for the Licensing of Child Care Facilities established by the State of Maine. We offer both before-school and after-school care for children in Kindergarten through Grade 8, all conveniently located in your child's school. Our mission is to promote the physical, mental, social, and emotional development of each child by providing a high-quality child care program. This program enriches the experiences of children as we view the home, school, community, and child care settings as complementary and interrelated domains that affect children's growth and development. It includes a nutritious snack every day, outside play or indoor physical activity, crafts, special projects, and quiet times.

The following information is designed to give you a more in-depth look at our programs. We welcome and encourage you and your child/children to visit any of our child care sites prior to registering. For more information about our programs, please visit www.scarboroughmaine.org/departments/community-services/child-care.

Registration Procedures and Tuition Information

- Registration Start DateApril 9, 2018
- Child Care Dates for Year 2018-19.....Based on the School Calendar

• **Registration Location**

Beginning April 9, child care registrations will be accepted at the Community Services Office in town hall. This office is open between 8:00 am and 4:00 pm Monday through Friday. You may pay by cash, check, or debit or credit card for the registration fee at town hall.

• **Paperless Registration**

We will update all information in our system at the time of registration.

• **Payment Options**

Payment for child care may be made one of two ways: (1) Pay in full for the year; or (2) Pay on a monthly or bi-monthly basis. Both payment options require a non-refundable registration fee and a completed Electronic Funds Transfer (EFT) form upon registration. The EFT billing period is September through June (10 months).

Payment for child care may be made one of two ways: (1) Pay in full for the year; or (2) Pay on a monthly or bi-monthly basis. Both payment options require a non-refundable registration fee. The billing period is September through June (10 months). NEW this year, EFT forms will no longer need to be filled out. When you register IN PERSON, please come prepared to update the following household information in our system: Home, work, and cell phone numbers, email addresses, emergency contacts (besides parents), child’s name, birthdate, grade, allergies, medications, doctor and dentist names and phone numbers. You will need to bring with you the debit or credit card (Visa, Master Card, and/or Discover) that you will be using to pay your monthly child care fees.

Please Note: With our new installment billing system, we are only able to withdraw funds from one debit or credit card per child -- we cannot split one child’s bills between two cards. Households with two or more children setting up payment plans may connect a different card to each child, if they choose to.

- **Pay in Full**

When you register, you will pay the registration fee only; however, the full year child care amount will be invoiced and due separately **no later than Friday, August 24**. If you pay in full by this deadline date, you will receive one month FREE. If you do not pay in full by the deadline, your account will be billed monthly installments and you will be responsible for setting up your payments. You will not receive one month FREE.

Note: *With the pay-in-full option, no refunds will be issued for unused service.*

Insufficient Funds: If we receive an “insufficient funds” notice from your bank, we will NOT be making a second attempt to collect from your account on file. A \$30 fee will be added to your current monthly child care balance. We will then contact you and you will be responsible for paying the total within 48 hours. If we do not receive payment within that time frame, we may be obligated to terminate child care services at the end of that week. Additionally, if we receive an “insufficient funds” notice a total of three times during the year, termination of care will be likely.

Receipts: Once payments have been posted to household accounts, a receipt may be emailed to you upon request or you may access it online using your user name and password.

Mid-Month Registrations: Should you register in the middle of the month, your bill will be pro-rated for that partial month and payment will be due at time of registration along with the registration fee. EFT payment will begin during the next month’s billing.

- **First-Come, First-Served Basis**

Limited space is available at each child care site. All registrations are accepted on a first-come, first-served basis.

- **Waiting Lists**

Once your school site has been filled, your child may be placed on a waiting list. We will notify you once an opening has become available.

- **Withdrawal from Program/Changes to Schedule**

A **one-month written notice must be provided prior to withdrawing your child from our program**. If you fail to give proper notice, you will be billed for that time and payment will be expected. Please remember, it is your responsibility to notify us appropriately so you will not have to pay for services not used. A \$15 processing fee will be assessed when a schedule change is made to a child’s before- or after-school care schedule (by either adding a day or dropping a day).

Other Info

- **School-Age Child Care Program (Grades K to 5):** A minimum of two days per week is required. See Page 2 for fee chart.

Registration for these vacation weeks will begin the first Monday in November.

- Full day care is offered through during February and April vacations and will be held in the Wentworth School Cafeteria from 7:00 am to 6:00 pm Tuesday through Friday (no child care provided on the Monday holiday). - Children must bring their own lunch and snacks as snacks are not provided.
- Parents are responsible for accompanying their child into the building to sign them in.
- Both of these programs are included in your monthly child care fees; however, **pre-registration is required at the Child Care Office or Community Services Office.** This separate registration ensures that we plan accordingly with appropriate staffing numbers. Program Policies

Attendance and Absenteeism

Once you have registered your child, a spot is guaranteed in that program and full payment is expected regardless of child's attendance. If you need to add an additional day or swap days within the School-Age Care Program, you must call in advance to see if we can accommodate the schedule change.

If your child is going to be absent for any reason (which would include a pick-up during the day due to sickness or pick-up after school), we request that you contact us at the Child Care Administrative Office at 730-4170 or email us at comserv@scarboroughmaine.org. Please do not count on the school staff notifying us of any absence for any reason. This is to ensure that all children are accounted for at the beginning of each program day. In addition, prior notification of an absence will assure that staff does not have to take time away from their group to track down a child's whereabouts.

Behavior and Discipline

We design our program with clear expectations for children's behavior. When situations occur, either with individual children or a group of children, we use these times to teach children how to make better choices and how to negotiate differences. We use logical consequences, such as loss of privileges, time out, or time away from the activity, if necessary. At no time will any child be humiliated, hit, or denied a snack as a "punishment." It is our hope that we can participate in the process of teaching children appropriate behavior and responses to conflict.

Discipline Policy

Proper behavior and adherence to the program rules are expected from each and every child. It is not fair to the children in our program when one child continually misbehaves or causes problems with others. If misbehavior or problems occur on a continual basis, the following steps will be taken:

1. Counselors will review the rules often and give consistent reminders about inappropriate behavior and its consequences.
2. A counselor will talk to the child on a one-on-one basis and give a timeout.
3. Logical consequences will be imposed, if necessary.
4. A written warning will be given for repeated misbehavior.
5. A citation will result from further misbehavior or for a serious infraction of the rules. This misbehavior would include, but not be limited to, hurting another child, damaging property, or willfully disregarding the counselor's instructions.
6. The program coordinators will be kept apprised of developing situations and will set up a meeting with the parent to discuss the child's behavior and agree on a strategy for handling future problems, if necessary.
7. If the behavior continues, the parent may be called to remove the child from the program. The child may be asked to take a day or more off from the program.
8. Continued misbehavior may result in being asked to leave the program.

It is our hope that we never get to the final step in this process. We feel that with the cooperation of the parents we can use this disciplinary process to correct problems and ensure that all children in our program are in a pleasant and safe environment for their out-of-school hours.

Scarborough Community Services is providing care to students before and after school in Scarborough public school buildings. If a student is sent home by any school personnel due to misbehavior for an afternoon or more, the child is not eligible to attend the before-school or after-school care program until they can return to school.

Cancellations/ Changes

A one-month written notice must be provided prior to withdrawing your child from our program. Without this proper notice we will expect payment for that time.

A \$15 processing fee will be assessed when a schedule change is made in a child's before-school and/or after-school care schedule (by either adding or dropping a day or days).

Child Abuse and Neglect, Reporting of

In accordance with Maine state law, all of Scarborough Community Services Child Care Program counselors are mandated to report any suspicion of child abuse and neglect.

Factors that may lead up to a report are:

- Injuries that appear to be non-accidental.
- Excessive punishment.
- Emotional or mental injury or impairment.
- Sexual abuse or exploitation.
- Inadequate food, clothing, shelter, supervision, or health care.
- Deprivation of normal childhood living experiences (emotional neglect).
- Failure to protect a child from abuse or neglect.
- Children who are abandoned.
- Parents who are unable or unwilling to safely care for their children.

The protection of the child, not punishment of the parents, is the goal of the law. In the vast majority of cases, the best way to help the child is to help the family. Supportive social services for the parents and the child can usually keep the family together. Parents may need help in child-rearing and homemaking skills. Troubled families may need help in coping with stress. A report can be the first step in rehabilitative services to preserve families.

Child Care Counselors

We hire the highest-qualified staff for our program. We provide them with ongoing training to ensure that we bring sensitivity, creativity, and a responsibility to the program and the children in it. Additionally, each staff person brings his or her own special skills and abilities to share with each child. We maintain a maximum ratio of 12 children to one staff person at all of our child care sites.

Email Communication

We use email as a means to communicate with parents. When parents provide us with their email address, we will send them letters, requests for information, and notices of emergency early closings. Our email address, comserv@ci.scarborough.me.us, is checked daily so parents should feel free to communicate with us through this address.

Emergency Procedures

Our staff has been trained in emergency first aid and CPR, and each child care site has an easily-accessible first aid kit. In the event of a serious emergency, an ambulance will be called and the child will be taken to the nearest hospital (or the hospital of preference listed on the medical authorization slip). The child's parent/guardian will be notified immediately.

Independent Release

Occasionally students may need to leave the premises without a pick-up person, either to walk home or go elsewhere for sports or clubs. Parents should complete an *Independent Release Form* ahead of time if they wish their student to do this. The forms must include the date and time of the release. Students will be released at the designated time and marked out on the attendance sheet. Once students are released, Community Services is no longer responsible for their whereabouts.

Medication Policy

State-licensing laws are specific concerning the dispensing of medication at a child care site; therefore, we have adopted the following policies concerning medication:

- **No prescription medicine of any kind will be dispensed unless authorized by a physician's signature.** Any request to dispense medication must be made in writing for each illness or each medication. We have medication forms available that include the date, amount, and time to be given. Medication must be in the original container.
- **Medication must be dropped off to the site by the parent.** Please do not send medication in your child's lunch box or backpack. Medication could spill from the containers, other children may discover it, or children may decide to take the medication before the appropriate time or even in incorrect dosages.
- Aspirin, acetaminophen, or other non-prescription medications will not be given to a child without written, signed, and dated parental authorization naming the medication and the dosage. All medications must be supplied by the parent.

Parental Conduct

The success of our program relies on the involvement of parents and guardians, as well. We encourage parents and guardians to make suggestions and give us feedback at any time. We encourage you to visit the program at any time and take part in any ongoing activity.

As a parent or guardian, it is also your responsibility to be a positive member of our program. To provide the children in our program with an environment conducive to growth, learning, and development, parents and guardians must behave in a manner consistent with respect and courtesy. Parents and guardians must display respectful and professional behavior toward counselors, employees, children, fellow parents, and the public. Parents and guardians must refrain from any behavior deemed to be discourteous, dishonest, confrontational, disrespectful, or offensive to others. Parents and guardians who violate this policy will be dismissed from the Child Care program. Any parent or guardian who engages in activity or conversation that results in discrimination, harassment, distress, fear, discomfort, marginalization, or alienation of any child or adult affiliated with our program will be subject to dismissal from our program.

Parental Involvement

Communication between parents and staff is a vital component of a successful program. To keep you updated on program news and your child's progress in the program, we have established a mailbox and communications center. Please check this area daily for important information. We encourage you to discuss your child's needs and interests with members of the staff, and, in the same spirit, our staff will discuss any concerns or anecdotes about your child with you. By keeping our lines of communication open we feel we can ensure that the needs of each child are being met.

We welcome donations of paper or other useful items from work or home that no longer have value to you but may be useful in a variety of craft projects in our child care program. Other useful donations include gently used books and age-appropriate games. Counselors may have specific needs at each site so watch for parent notices.

Pick-up Authorizations

On a daily basis our staff is challenged in determining who is authorized to pick up children attending our programs. One of the worst situations for both staff and children is being caught in the middle of a parental custody issue; therefore, there is a time during registration that you may indicate names of people who may pick up your child. NO CHILD will be released to anyone not authorized by the parent. **We do not accept notes that come from the child and we will not accept notes from the person picking up the child -- we have no way of verifying who wrote the notes.**

Authorization for someone other than the people listed on the registration forms *must be put in writing and delivered by the custodial parent prior to the time of pick-up.* When registering, please consider this carefully and include everyone whom you would allow to pick up your child.

Please note that counselors are required to ask for identification from any unfamiliar person entering our child care sites. This means that anyone picking up a child must provide to our staff a proper picture I.D. before we will release that child from our care. This would also include parents who may be picking up for the first time.

In situations of divorce or separation, please include instructions about who may pick up and under what circumstances, plus a copy of any court orders regarding custody of the child. We must have these documents on file in order to protect your child. Both parents have a right to view the files of their children, regardless of which parent has been given custody; therefore, each parent should make sure that the information in the file is current and correct. You can be

assured that this information will be kept strictly confidential and used only to ensure your child's safety. We urge your full cooperation in this matter to avoid putting your child and our staff in an uncomfortable position.

Pick-up Times

Parents must pick up their children no later than 6:00 pm at all child care sites. We reserve the right to charge a late fee of \$1.00 per minute for every minute after 6:00 pm that a parent/guardian is late, regardless of the number of children.

School Involvement and Communication

The success of our program relies on the involvement of child care administrators, counselors, parents, and school personnel. We share space with the school on a daily basis. Scarborough Community Services views the home, school, community, and child care settings as complementary and interrelated domains that affect children's growth and development. We feel it is important to keep open lines of communication among all of these groups.

A child's school day may be affected by many things, including the child's attitude and actions before school hours. This information could be relevant to a child's classroom teacher. Their after-school experience can also be affected by how their school day went, especially since a school day can be extremely long for some children. In sharing information, our hope is to meet children's individual needs, both inside and outside of school.

We take our partnership with the schools very seriously; therefore, we will be asking parents and guardians to sign a form entitled *Release of Confidential Information* at the time of registration. This release form is included in an effort to communicate in a more professional and timely fashion with the schools.

We also want to encourage parents to take a minute and share with Community Services any pertinent information about your child. This information will remain confidential and will only strengthen our relationship with your children.

Sickness

Any child who has a fever, is vomiting, has a contagious disease, or has a draining wound may not attend the program. Children with such sickness may not return to our program until 24 hours after the conclusion of the symptoms or after appropriate medications have been started. In some cases you may be required to provide a doctor's note before your child may return. If your child becomes ill while at the program, you will be contacted by staff and required to pick up your child within the hour.

Please note that if your child is under the weather and is in attendance in our program, they will be required to go outside weather permitting. We do not have the ability to keep children inside.

Contact Information

Please be aware that, although we are located in the Scarborough school buildings, we are still a separate program, and we do not always receive messages from the school regarding absences. **You must contact the school staff and the child care programs separately.**
