

# 2017-2018 MULTI-WEEK SKI PROGRAM AT

# Sunday River®

## Grades 6 through 12

## Registration begins 11-06-2017

At Sunday River, we've been working to develop our reputation for providing the best guest service in the industry. Our staff knows what it takes to create a great ski trip, and we're hoping you give us the opportunity to prove it. Our service sets us apart from others, and so does our mountain:

- **Legendary Sunday River snow.** Each season, we combine 155 inches of natural snowfall with the output of our extensive snowmaking system, covering 92% of the mountain. Sunday River pioneered modern snowmaking technology and continues to be the industry leader. We've set the standard in snow conditions with the quality of the snow we make and our commitment to providing you the most dependable snow in New England.
- **Award-winning terrain.** Sunday River is made up of eight interconnected mountains offering the best and most diverse terrain you'll find anywhere. Our 131 trails include everything from gentle novice areas to black diamond steeps and glades, and our grooming fleet covers the mountain each night to create the best conditions possible. We also offer a 500-foot in-ground superpipe and four terrain parks open to both skiers and riders.
- **Modern and efficient lifts.** To serve a trail network over 3 miles wide, we've built 18 lifts, including four high-speed quads. You'll be able to ski from peak to peak quickly and easily, discovering that by spreading our mountain out we've been able to alleviate lift lines and congestion found elsewhere.

Scarborough Community Services is sponsoring this recreational downhill ski and snowboard program for four selected Saturdays. Program participants may choose from a lift-only option or elect to rent skis or a snowboard. Enroll in a *Perfect Turn Clinic* to enhance your skiing or riding ability. *Perfect Turn Clinics* are targeted for the beginner right through the expert skier or rider. *Perfect Turn* clinics run for 90 minutes each week.

The program is prepaid, and each participant is eligible for up to one absentee voucher. Leaders will record attendance each week. Vouchers will be issued at the end of the program and are valid through the end of the 2017-2018 ski season. These absentee lift vouchers are for lift only – it does not cover a missed clinic/lesson.

The Scarborough Community Services Program will be based out of the White Cap Lodge on the following dates:

**Week 1 ..... January 6, 2018**

**Week 2 ..... January 20, 2018**

**Week 3 ..... January 27, 2018**

**Week 4 ..... February 3, 2018**

- The bus will depart from the front of the Middle School at **6:30 a.m. on the first day only -- January 6.** All other days the bus will leave at 7:00 a.m. and return at approximately 5:45 p.m.
- February 10 will serve as a make-up date if heavy snow or icy road conditions occur. **Please Note:** Should we need to use March 3 as a second make-up date, it will NOT include a missed clinic.

## Scarborough Community Services

### Rules and Regulations

1. Students will show respect to others at all times. Inappropriate behavior during the trip or on the bus will result in suspension from further skiing trips. Money will not be refunded to students eliminated from skiing due to suspension.
2. Any student found with drugs or alcohol of any kind will be automatically suspended from the program. Money will not be refunded to students eliminated from skiing due to suspension.
3. Parents may be instructed to come to the mountain to pick up their child due to behavior problems.
4. Your child will not have active adult supervision while on the mountain. Once participants are given their tickets and instruction on rental procedures and lessons they will be on their own. There will be a half-hour check-in time at the lodge (to be determined by the bus leader). Failure to check in may result in suspension from further skiing. If your child needs assistance, he/she will be advised to seek help from the Sunday River staff. Scarborough supervisors will be equipped with a beeper so that they may be reached anytime for emergency situations.
5. All items of value that are brought to the mountain (i.e., money, cell phones, or any electronic devices) should be locked up or carried throughout the day; it is the participant's responsibility.
6. Your child will be expected to abide by all Sunday River Rules and Regulations.
7. All bags and belongings are subject to search at the discretion of the Scarborough supervisors.
8. The students will follow the *Skier and Snowboarder Responsibility Code*.

**Proper clothing and equipment is vital for the safety and enjoyment of skiing. We ask that you make sure your child is dressed appropriately for all trips.**

1. Denim and jean pants are not warm. If they get wet, it can be uncomfortable and dangerous on cold days.
2. Wool or polypropylene socks are much better than cotton.
3. Layered clothing is best (turtleneck, sweater, and jacket).
4. Hats, gloves, and goggles are a must. Helmets are recommended but not mandatory (helmets can be rented for an additional \$32 for all 4 weeks).
5. We encourage you to make sure your child has extra clothing to change into after a day of skiing.
6. Skis should be placed at different locations to avoid theft.

\*\*\*\*\*

### **Skier and Snowboarder Responsibility Code**

*Officially endorsed by National Ski Areas Association*

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Ski and snowboard under control and in such a manner that you can stop or avoid other skiers, boarders, or objects.
2. When skiing/boarding downhill or overtaking another skier/boarder, you must avoid the skier/boarder below you.
3. You must not stop where you might obstruct a trail or are not visible from above.
4. When entering a trail or starting downhill, yield to other skiers/snowboarders.
5. All skiers and snowboarders shall use devices to prevent runaway skis.
6. You shall keep off closed trails and posted areas and observe all posted signs.
7. Be safety conscious.

We have read the above *Rules and Regulations* and *Skier's Responsibility Code*, and we are in agreement.

## Rental Release Waiver

### Acknowledgement and Acceptance of Risks and Liability Release

(Please read carefully and sign below)

**WARNING:** Be aware that a ski-boot-binding system will not release or retain at ALL times or under ALL circumstances where releases or retention may prevent injury or death, nor is it possible to predict every situation in which it will release, and it is, therefore, no guarantee of your safety. If snowboards, Nordic snow shoe, or ski board equipment is being furnished, I understand that the systems will not ordinarily release during use, nor is it specifically designed to release as a result of forces induced during ordinary operation and is therefore absolutely no guarantee for safety. The use of any ski equipment is an inherent risk of the sport. All forms of alpine skiing and alpine activities are hazardous. Falls and injuries are a common occurrence therefore requiring the deliberate and conscious control of your physical body through proper use of alpine equipment in relation to ever-changing variables and dangers. Safety is directly affected by your judgment in the severe elements of rough, high-mountain, forest terrain. Ski or ride only within your own ability. Be alert to continually changing weather, visibility and surface conditions, and other inherent risks including but not limited to existing and changing snow conditions, such as ice, hard-pack, powder, packed powder, slush, granular, corn, crust, cup-up and machine-made snow; surface or subsurface conditions such as dirt, grass, bare spots, forest growth, rocks, stumps, trees, and other natural objects and collisions with or falls resulting from such natural objects; lift towers and components thereof; lifts, sign posts, fences, mazes, or enclosures; hydrants, water or air pipes (all the foregoing whether above or below the snow surface), snowmaking and snow-grooming equipment; marked or lighted trail maintenance vehicles and snowmobiles; other man-made structures or objects and their components, and collisions with, or falls resulting from, such man-made or natural terrain modifications and features; the presence of and collisions with other skiers/riders; and failure of others to ski/ride safely, in control or within their own ability.

#### RENTER'S RESPONSIBILITIES FOR THE EQUIPMENT

- I accept for my use as is the equipment listed on this form and accept full responsibility for its care while in my possession.
- I will be responsible for replacement at full retail value of any equipment rented under this agreement which is not returned and grant this ski area the right to use the deposit/credit card to recover such loss.
- I agree to reimburse and hold harmless this rental shop for loss or damage of any kind, other than responsible wear and tear, which results from my use of this equipment.

Please present your copy of this agreement when returning or exchanging equipment.

- There will be no refunds on single- or multiple-day rentals.
- All rental equipment is nontransferable

I have made no misrepresentation in regard to my height, weight, age, and skier type or clinic level, and I understand that this information may be used to select or adjust my equipment. I, the undersigned, have carefully read and understand this *Acceptance of Risk and Liability Release*.
