INVITATION

Scarborough Public Schools is soliciting ITBs for the proposed site improvements including the construction of a new 34-space bituminous parking lot. The parking lot will include an associated storm drain system with basins and a storm water bio retention basin, bituminous sidewalk and curb, dumpster pad and an enclosure, landscaping, and light poles, fixtures, concrete footings and electrical service. In addition, a 3,800 s.f. bituminous pad for future portable classrooms is included in the construction, along with associated underground utility connections.
