CONTRACT INTENT: This Invitation to Bid (ITB) is intended to result in the Relining of Running Track at Scarborough High School.

NOTICE OF INTENT TO AWARD: After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. It lists the name of each company or person that offered a bid and the price they bid. It may also provide notice of the Town's intent to award a contract(s) to the bidder(s) indicated. A copy of the Bid Tabulation will be mailed to each company or person who responded to the ITB. Bidders identified for award are not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the Purchasing Agent. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the Purchasing Agent does so without a contract and at their own risk.

PAYMENT FOR TOWN PURCHASES: Payment for agreements for the undisputed purchase of goods or services provided to the Town will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later.

FEDERAL EXCISE TAX: The Town is exempt from all Federal Excise Tax.

STATE SALES TAX: The Town is exempt from all State of Maine Sales Tax.

INDEMNIFICATION: The contractor shall indemnify, hold harmless, and defend the Town from and against any claim of, or liability for error, omission or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the Town for a claim of, or liability for, the independent negligence of the Town. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the Town, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. "Contractor" and "Town" as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the Town's selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor's work.

INSURANCE: Contractor shall purchase and maintain worker's compensation insurance, general public liability and property damage insurance, including vehicle coverage, all with limits and terms satisfactory to Owner:

Worker's Compensation:

Worker's Compensation insurance shall be in strict accordance with the requirements of the most current laws of the State.

Owner shall be named as an additional insured on the comprehensive general and automobile liability policies. Contractor shall provide Owner copies of all the actual insurance policies for review and approval before the commencement of work.

A bidder's failure to provide this supplemental information, within the time set by the Town, will cause the Town to consider the offer non-responsive and reject the bid.

ANNOTATED LITERATURE: Bidders must annotate their product literature to identify for the Town the location of the supporting information regarding each product specification set out in this ITB.

SUPPORTING INFORMATION: The Town strongly desires that bidders submit all required technical, specification, and other supporting information with their bid, so that a detailed analysis and determination can be made by the Purchasing Agent that the product offered meets the ITB specifications and that other requirements of the ITB have been met. However, provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the Town reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products offered completely meet the ITB requirements. The requirement for such supplemental information will be at the reasonable discretion of the Town and may include the requirement that a bidder will provide a sample product(s) so that the Town can make a first-hand examination and determination.

FIRM, UNQUALIFIED AND UNCONDITIONAL OFFER: Bidders must provide enough information with their bid to constitute a definite, firm, unqualified and unconditional offer. To be responsive a bid must constitute a definite, firm, unqualified and unconditional offer to meet all of the material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB and which, for reasons of policy, must be complied with at risk of bid rejection for non-responsiveness.

ALTERATIONS: The awarded bidder must obtain the written approval from the Purchasing Agent prior to making any alterations to the agreed upon specifications (post-award) contained in this ITB or subsequent Contract. The Town will not pay for alterations that are not approved in advance and in writing by the Town.

CONTINUING OBLIGATION OF CONTRACTOR: Regardless of the terms and conditions of any third-party financing agreement, the contractor agrees that none of its responsibilities under this contract are transferable and that the contractor alone will continue to be solely responsible until the expiration date of the contract. Such responsibilities include, but are not limited to, the provision of equipment, training, warranty service, maintenance, parts and the provision of consumable supplies. By signature on this ITB the bidder acknowledges this requirement and indicates unconditional acceptance of this continuing obligation clause.

WORKMANSHIP & MATERIALS: All work and/or fabrication must be performed in a thorough and workmanlike manner and in accordance with current industry practices. The contractor will be held responsible for the quality of the finished item and/or service provided.

INVOICES: Invoices must be sent directly to the Town address shown on the individual Purchase Order, Contract Award or Delivery Order. Payment schedule will be determined with the winning bidder. Questions concerning payment must be addressed to the Town of Scarborough's Accounts Payable Department.

CONTRACT CANCELLATION: The Town reserves the right to cancel the contract at its convenience by giving written notice to the contractor. The Town is liable only for payment in accordance with the payment provisions of this contract for services or supplies provided before the effective date of termination.

SITE VISITS: Prospective bidders are responsible for visiting the work site so that they can see the conditions under which the work described in this ITB will be performed. Prospective bidders may contact Steve Quirk at (207)252-4201 to arrange for a visit.

The Town of Scarborough reserves the right to accept or reject any and all bids when it is deemed in the best interest of the Town.

ADDITIONAL INFORMATION:

All inquiries or requests concerning this Invitation to Bid shall be made in writing and must be received before the close of business on July 20, 2015, to the Attention of Kim Massa, Purchasing Administrative Assistant, by fax (207 730-4088) or email to kmassa@ci.scarborough.me.us. The Town is not responsible for oral interpretations given by any Town employee, representative or other.

**SPECIFICATIONS FOR RELINING OF RUNNING TRACK
AT SCARBOROUGH HIGH SCHOOL
SCARBOROUGH, ME 04074**

1. GENERAL DESCRIPTION:

The purpose of this specification is the renewal of a latex bound all weather running track. This track is to have all worn areas repaired using proper materials and methods. The track shall then be remarked with a 400 meter track layout.

2. SITE VISIT:

Due to the nature of the repairs, a site visit is recommended. Please make arrangements to visit the site through Mr. Steve Quirk at 207-252-4281.

3. TRACK REPAIRS:

Bare, worn and/or soft areas (including all field events), shall be repaired using materials and procedures compatible with the present surface. Special attention is directed to the area around the track entrance, inside lanes, and field event areas. The contractor shall submit in advance to the owner the proposed patching formula. All vegetation on, and encroaching onto, the resilient surface shall be removed by others prior to the resurfacing work beginning.

4. 400 METER TRACK LAYOUT:

The contractor shall provide a registered surveyor to perform the track layout and marking location. Upon completion, he shall verify and certify in writing the track measurements and accuracy in writing to the owner as being in conformity with National Federation of State High School Association. Contractor shall consult with the high school's athletic director for any special instructions and obtain layout approval prior to beginning marking layout or painting.

- A. Locate and establish radius points.
- B. Establish and set all necessary control points.
- C. Lay out all lines and markings to within 1/2" plus (no minus) tolerance.
- D. Prepare all necessary drawings.
- C. Provide all computations and measurements.
- E. Establish all locations on the curve using a transit or Theodolite capable reading direct to 20 seconds.
- D. Identify markings by painting the identification directly onto the track surface in 4" letters just below or in front of each mark in the right hand portion of the lane.
- F. Paint all of the large (3' high) lane numbers (3 sets) in two colors (shadowed backgrounds shall have a different color). The colors to be selected by owner.
- G. All lines shall receive sufficient paint.
- H. Paint should be used directly from the original containers. Any thinning should be kept to a minimum.
- I. The paint shall be a 100% acrylic latex line paint made especially for the painting of lines on the track.
