

**Scarborough's Curbside Food Waste Collection Program
Survey**

1. How often did you participate in Scarborough's curbside food waste collection program?

- Every week
- Few times a month
- Monthly
- Only a few times
- Never

If never, what is the primary reason why?

2. Which of the following was the single most important reason for your participation in the curbside food waste collection program (please select only one answer)?

- Reduces Scarborough's solid waste management costs
- Better for Maine's environment
- Easy to do
- Help farmers
- Did not participate
- Other (please describe):

3. Please identify any specific issues or barriers that reduced your weekly participation in the food waste collection program.

4. During the pilot period, did you use an in-sink garbage disposal unit?

- Yes, used it the same as before the pilot
- Yes, used it less during the pilot
- No, do not have one

5. Will you be dropping-off food waste at the Pine Tree Waste location at 87 Pleasant Hill Rd. after the end of the pilot program?

- Weekly
- Monthly
- Periodically (as needed)
- Never

If never, what is the major reason?

6. During the pilot period, did you use a backyard composting system?

- Yes, the same as before the pilot
- Yes, but used it less often
- No, have one, but relied on the food waste collection program
- No, do not have one

7. Please provide any helpful comments specific to the pilot program to help us evaluate the program.
