

Meeting of the Scarborough Energy Committee

February 11, 2014

Public Works Conference Room

Minutes

Present: Rick Meinking, Anton Bodor, David Kirstein, Judy Roy, Deb McDonough, Sandi Dargi, Mike Wallace, Tom Hall

Absent: Scott Berube, Bill Donovan

Public Works Building Recap

Suggestions:

IR heat

Fire Stations:

Hot water: Solar? Renewable funds being considered again, not likely.
W/o incentives, payback is "too long".

Oak Hill Station:

Has IR bay heaters, resisting other work in aging building.

Solar Project

Currently trading contracts.

Present to council Feb 19.

Roofs have been evaluated, Community Services building is fine,
Firehouse chimney will be removed to the roofline.

Tri-Gen

Also presenting on Feb 19, requesting \$100k, identified sources.

Reallocate: Sawyer Road CIP, Public Safety Reserve fund.

First mention of reserve account?

Paul waiting on contract, ready to go to bid on equipment, three vendors.

List of pre-qualified Maine contractors, some Scarborough based.

Grant rules limited our flexibility, provide feedback to Efficiency Maine.

PR

"Coming Soon to a Town Hall Near You. . ."

Judy will start the article.

Pictures on the website, Collette and Sandi.

David is on call for photography.

Town Hall contact will be Bruce Gullifer

Links to tax credit/rebate information.

Meeting adjourned around 9:00 am

Next meeting: March ?, 7:30 AM

Proposal: Blower Door, IR camera at a home.

Mike Wallace? Will photograph his ice.

New heat pump hot water heater.

~ three hours.
