

Meeting of the Scarborough Energy Committee
April 20, 2016

Minutes

Present: Judy Roy, Deb McDonough, Sandi Dargi, David Kirstein, Tom Hall, Chris Caiazzo, Mike Wallace, Ron Allen

Absent: Bill Donovan, Rick Meinking, Anton Bodor,

Approve minutes: (Judy, David) Unanimous

Council Update: Rick/Chris met to discuss plans.

Review Comprehensive Plan – Review Energy Plan

Looking for a more detailed plan

Support for STAR Community program, use framework, not certification.

LED lighting, street lights, schools

Recommend: Track legislative work, keep council informed

Maine Municipal Commission – Legislative Policy Committee

Distribute to committees – Scan for topics of interest

LED lighting update –GPCOG meeting

David, Rick attended Dan Bacon also there.

Check that lighting ordinances don't preclude a vendor substitution

Mike/Rick will continue to track this

If fixtures >15 years can require utility to remove them

Public sensitive to color temperature

Audit/consulting to evaluate lighting needs

Tom will ask the GIS group what information is already available.

Access slides from the meeting?

Library Letter

Committee recommended some revisions

Moved: Dave, Sandy, unanimous

Sustainability Coordinator

Rick distributed draft letter.

Tom distributed current description from budget presentation.

Recommendation: Short paragraph of support, highlight cost savings.

Motion: Mike, Judy

deb will draft and forward for vote.

Greater Portland Regional Energy Working Group

We'll send the sustainability coordinator. . .

David will try to get to the meeting this afternoon.

Have asked to stay on the mailing list and will try to get somebody there next month.

Tri-Gen update

Need data for one year in order to better negotiate Natural Gas pricing.

Check on ordering of interconnectivity.

Check on demand service charge.

Meeting adjourned at 9 am

Next meeting: May 18, 7:30 am

Lighting
