Absent: Mike Wallace, Judy Roy

Approve minutes: (David, Anton) Unanimous

Food Waste: See Kerry's presentation

63% participation, 16% diversion

Issues: EOW, size/volume, disposal

Future: Drop-off, Color coded bags, three-bin truck unlikely

Recycling: Hannaford Silver Bullets have been removed

Hannaford has been concerned about dumping

Daily inspection, 3/week hauling, daily at holidays

\$64/haul. Does this cost more than trash disposal?

Outreach efforts? In-the-know?

LED Streetlights

"One of the best projects we've had in a long time."

We have the funding to buy out the streetlights – arm to fuse.

TEN – The Efficiency Network as contractor

Colby Company Engineering – Owners rep, technical assistance.

Bernstein Schur – Legal advice

In negotiation with CMP for purchase

LED + Advanced controls, selection Dec. 31

Selecting yellow (35k?) for residential, perhaps whiter in industrial

Adaptive traffic controls – smart system, responsive to traffic conditions.

We'll select pilot sites at January meeting.

Public Safety

Passed by the voters, need to be prudent with the bond money.

Committee to continue through the construction process.

2020 move in.

Contractor with commercial broker to sell old building.

VW Settlement Funds

Maine to receive \$20 million. Earmarked to replace diesel engines.

Electrical vehicle charging corridor.

1/3 available in March as competitive grant, next one in a year.

Green Cities of GPCOG planning joint grant application

Po, SoPo, Falmouth, Scarborough joint grant to replace municipal vehicles.

We'd like an all-electric bucket truck replace one aged out.

Po/SoPo Climate Action Plan

Scarborough/Falmouth to listen in.

Parcel-by-parcel emissions profile
