**2) Sprague Way Access Route**

Jessica reported that, per Tom Hall, this is awaiting the arrival of Spring.

**3) Hunnewell House**

Jessica reported that retreatment, in Spring, is needed for powder post beetles, with completion in time for possible open house to public on Memorial Day.

**4) Danish Village Arch**

Jessica reported that the arch has been wrapped for the winter by Public Works, who are also following up with mover about relocating the arch after Winter.

**5) Council Workshop on Preservation Incentives and Structures**

Jessica described, and we discussed, the Council workshop scheduled for Wednesday, January 7, at which Craig will briefly introduce our incentive recommendations and Becky will reprise and update the structure list.

**6) Historic Monuments and Markers**

-After considerable discussion, consensus to try out subdividing this category into memorials, monuments, and areas as the basis for final recommendations to Council.

**7) Visitor's Inquiry**

General discussion about historic preservation with Raj Madhavapeddi, of Scarborough. Bob described his involvement with one possible redevelopment of Southgate.

**8) Tasks for next meeting**

Becky-Prepare revised list with subdivisions of (i) memorials, (ii) monuments, (iii) areas, and (iv) unclear, and show overlap with structure cemetery lists.  
All-Prepare to discuss subdivided list and possible additions (from list and otherwise) to structure list, with a view to preparing soon our final report of recommendations to the Council.

**8) Adjourn @ 8:45 p.m.**
