3) Markers and Monuments

We reviewed section-by-section the current version of the five category markers and monuments table with everyone agreeing on final revisions. Becky and Sharman are to follow up to seek some details, providing their results to Craig by Wed., 4/15. Craig was authorized to use these details to update the table into final form and submit it to Jessica, Chair of the Town Council.

3) Minute Approval

Because this is the last meeting of this *ad hoc* committee, we agreed that the approval of the minutes of this meeting would be done by email. Craig is to circulate draft minutes promptly. The minutes will be deemed approved unless some correction is noted to him within 48 hours.
