2) 79 County Road.

Jay Chace gave an introduction to the property on 79 County Road. Jay provided some materials about the property and a concept design for the Planning Board sketch plan review process. Becky, an HPIC member, local historian and Scarborough Historic Society member, gave a oral history about the property, the outbuildings and main house. Katie Norton the new owner of the property, provided information about future development plans and future ideas for the property. Katie also spoke to the current state of the buildings on the property.

Group discussion followed. Consensus reached that the outbuildings are unable to be preserved with this proposal.
