TECHNICAL DATA SHEET

Button Turf Products 100% Natural 10-0-3 is our premium natural lawn fertilizer. The 10-0-3's no phosphorus, no manure formula is unique among other all-natural products. The nitrogen sources in this product are Corn Gluten, Soy Meal and Chilean Nitrate. At 40% the Chilean Nitrate gives a very fast initial green-up, while the WIN (water insoluble nitrogen) in Corn & Soy take over to feed for another 8 to 12 weeks.

On Lawns Our lawn maintenance customers experience spectacular results with three to four applications per year. The spring and fall combination builds thick and vigorous root systems promoting healthy soils which naturally crowd out many weeds, while cultivating beneficial microorganisms that can decompose thatch.

Additional Information

This product is blended from the following list of natural ingredients: Corn Gluten, Chilean Nitrate, Soy Meal and Sulfate of Potash.

10-0-3 100% NATURAL

Guaranteed Analysis

Total Nitrogen (N)		10%
	5.5% Water Insoluble Nitrogen	
	4.5% Nitrate Nitrogen	
Available Phosphate (P ₂ O ₅)		0%
